Feeding for Milk

MILK being composed of a large number of chemical elements, the food, therefore, necessary to produce it must contain all these elements. But the machine that plays the important part in the transforming of these elements into milk is the digestive apparatus.

Dr. Hess Stock Tonic

aids digestion, regulates the bowels, liver and kidneys, supplies iron for the blood. It fact it is the prescription of Dr. Hess (M.D.,D.V.S.) and the result of 25 years of medical and veterinary experience. You will make more butter and better butter, and have healthier cows by adding Dr. Hess Stock Tonic to the regular feed twice a day as directed.

Once upon a Time, Billy Brown Leghorn *and* Dolly Dominique *ran* away together
